Cancellation and No Show Policy for Procedures

We understand there are times when you must miss an appointment due to emergencies or obligations for work or family. However, last minute cancellations can cause problems and added expense for the office due to the large block of time needed to perform procedures.

***If EVLA procedures are not cancelled 72 hours in advance you will be charged a \$250 cancellation fee; this will not be covered by your insurance company.**

***If Sclerotherapy procedures are not cancelled 48 hours in advance you will be charged a \$100 cancellation fee; this will not be covered by your insurance company.**

Thank you for your understanding.
